

# Soaring High Montessori School

## ADMISSIONS POLICY

The aim of the Soaring High Montessori School is to provide a secure and happy environment for children within which they can fulfil their developmental potential and become independent. The School aims to offer a setting for all children without discrimination where they can be together in harmony.

Children may be admitted between the ages of 4 and 5 years (according to DfES and Ofsted regulations) and can remain at the School until they are 11 years old.

Places will be offered to children in order of priority:

1. age appropriate
2. date of registration
3. siblings
4. parents who intend to leave the child in the school for 3 years or longer

A place on the waiting list does not guarantee a place in the school.

Soaring High Montessori School operates an Equal Opportunities Policy and we therefore like to ensure that there is a balance of male and female children, and a wide ethnic mix within the school.

Consideration is given to children over 3+ years if they are transferring from another Montessori school either in the UK or from another country provided that the standard of the Montessori practice of the school has been ascertained.
